

## Sawasdee to our dear colleagues,

Times passes by so swiftly, it is hard to believe that Reunion Travel is turning 33 in 2018. Thanks to your continue patronage.

However, in this fast moving world, we have to keep moving forward and catching up with the latest trends in the travel business to offer the best service to our customer.

Nevertheless, at Reunion Travel we still believe that no matter how digitally oriented people are nowadays, humans touch and sincerity are still very-important in offering our services. In this respect, we continue to keep the old ways which are rare in the internet world.

As one of the world's favourite destination with over 3.3 million visitors to our land of smiles last, Thailand's tourism is rapidly expanding with numerous new travel destination, hotels, restaurants spring up more and more . This could be a hard task for newcomers and repeated visitors alike to choose the right places at the right prices while avoiding any disappointment. At Reunion Travel, we have diligently tested and sorted out these places in order to offer only the best destination in this year to packages.

So please take a moment to study our 2018 program. Should you have any question or feedback, just press the button and send it to us at [tour@reuniontravel.net](mailto:tour@reuniontravel.net) We will take the immediate action and get back to you right away.

With our very best,

Yours sincerely,  
**Tipavarn Thephasdin**  
Managing Director
