

OUR TEAM

Dear valued customers,

It is hard to believe that we have been in this business for over 30 years. During our years, we have witnessed Thailand's tourism industry grow from a few million tourists per year to over 30 million last year becoming one of the most visited countries in the world. There is a reason for this incredible growth, Thailand has a wealth of travel destinations and a myriad of things to do, to eat and to experience. We are proud to be part of this in welcoming you all to this land of smiles.

We understand that we now live in a digital world where everything must be quick and convenient but at Reunion we believe in human touch in order to provide our customers with the best services possible. With more than 30 years' experience, we are here to offer you to quick, reliable and valuable recommendations and solutions for your memorable travel experience.

This year we have added more interesting programs. Thailand has many places to visit from green mountains to white sandy beaches and from world renowned hotels to incredible hideaways. So please take a moment to study our 2017 programs, your feedbacks and suggestions are highly valued at our office which you can reach us at tour@reuniontravel.net.
